SWEETNESS

**Sweetness
(Bicolor Roses)**

A close-up photograph of several coral-colored roses. The roses are in various stages of bloom, with some showing deep coral and others lighter, peachy tones. They are resting on a highly reflective, polished surface that creates clear, shimmering reflections of the flowers. The background is a soft, out-of-focus pink, suggesting more roses or a similar floral arrangement. The overall lighting is warm and soft, highlighting the delicate textures of the rose petals.
